What Chimpipi delivers

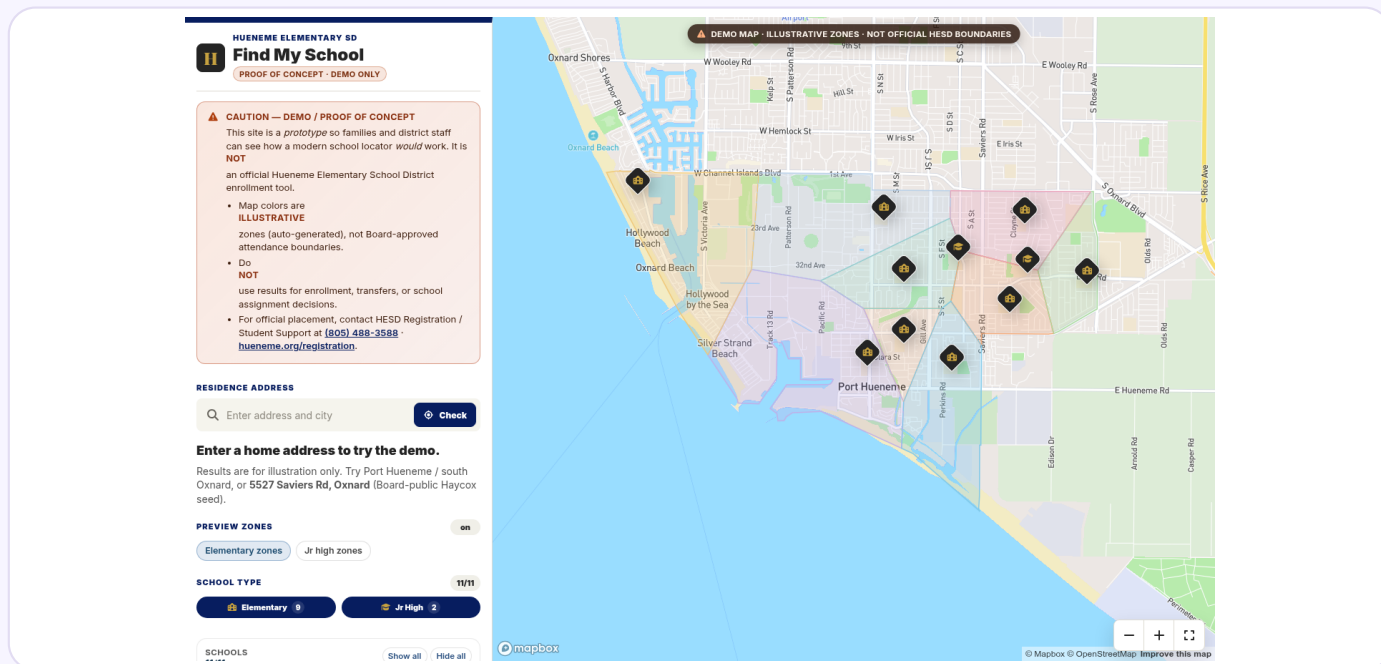

- School Locator / Find My School — address → assigned school, white-label on your domain
- District-branded mobile UX with Mapbox maps (faster parent self-serve, fewer phone calls)
- Boundary import, embed snippet, hosting, and annual boundary-update care
- Local-business websites that rank and convert (12 live industry builds statewide-style portfolio)

PROCUREMENT NOTE

Chimpipi LLC is a legitimate California limited liability company operating at [chimpipi.com](https://www.chimpipi.com). We can provide W-9, insurance certificates, and a signed SOW upon request for district purchase orders. This page is a company profile — not a tax form. Demo builds deploy privately on Vercel for secure district previews.

Live product sample — Hueneme ESD

Proof-of-concept Find My School for Hueneme Elementary School District (Port Hueneme / south Oxnard). Private Vercel preview: hesd-find-my-school.vercel.app. Illustrative demo until the district certifies attendance polygons.
